

Covenant of Mayors initiative in Slavutich city (Ukraine): deliverables, prospects and challenges

Yuriy Fomichev
Slavutich City Mayor

26 April 1986 at 01:23:47

180 tons of nuclear fuel

350.000 relocated people

From 15 December 2000 Chernobyl nuclear power plant has stopped energy generation

8500 highly paid work
positions are lost

Slavutich is the city of sustainable development

50 km from Chernobyl
nuclear power plant
60 km from Chernigov
200 km from Kyiv
25.000 citizens

Slavutich is the city of sustainable development

- The Strategy of socio-economic development of the Slavutych city until 2020
- Sustainable Energy Action Plan of Slavutych city until 2020
- The program of raising awareness in energy efficiency, mitigation and climate changes for residents of Slavutich city for 2016-2020 years

14 January 2009 – Slavutich has joined to Covenant of Mayors initiative (one of the top 10 Ukrainian CoM signatories)

24 May 2013 – Sustainable Energy Action Plan of Slavutych has been approved by City Council

Slavutich implements Demonstration project

2014 – participation in Call for proposal in the framework of “Covenant of Mayors – Demonstration Projects” programme which is designed to complement Covenant of Mayors (CoM) East by supporting a number of pilot projects implementing activities that typically feature in a city’s Sustainable Energy Action Plan (SEAP).

2015 – The beginning of implementation “Slavutich SEAP pilot - retrofit of two municipal budget-funded facilities” project which is funded by European Union

Slavutich implements Demonstration project

Slavutich SEAP pilot - retrofit of two municipal budget-funded facilities, main facts:

- Implemented by Executive Committee of Slavutich City Council
- Project implementation period – 28 months
- Total budget – 925.937 EUR
- EU contribution – 721.937 EUR(77,97%)
- Own contribution – 204.000 EUR (22,03%)
- Project facilities – School #2 and Kindergarten # 1
- Targets – By 09/2017, the annual energy saving by 44,62% or 953,5 MWh/a is ensured, about 102 thousand m³ of natural gas are saved and CO₂ releases are reduced by 33,91% or 249,34 t/a,

Slavutich attracts investments

2015 год – Slavutych has signed the agreement with Nordic Environment Finance Corporation (NEFCO) for financing the project "Enhancing the effectiveness of municipal building and street lighting in the town of Slavutich" in the framework of the revolving fund program "Energy Saving"

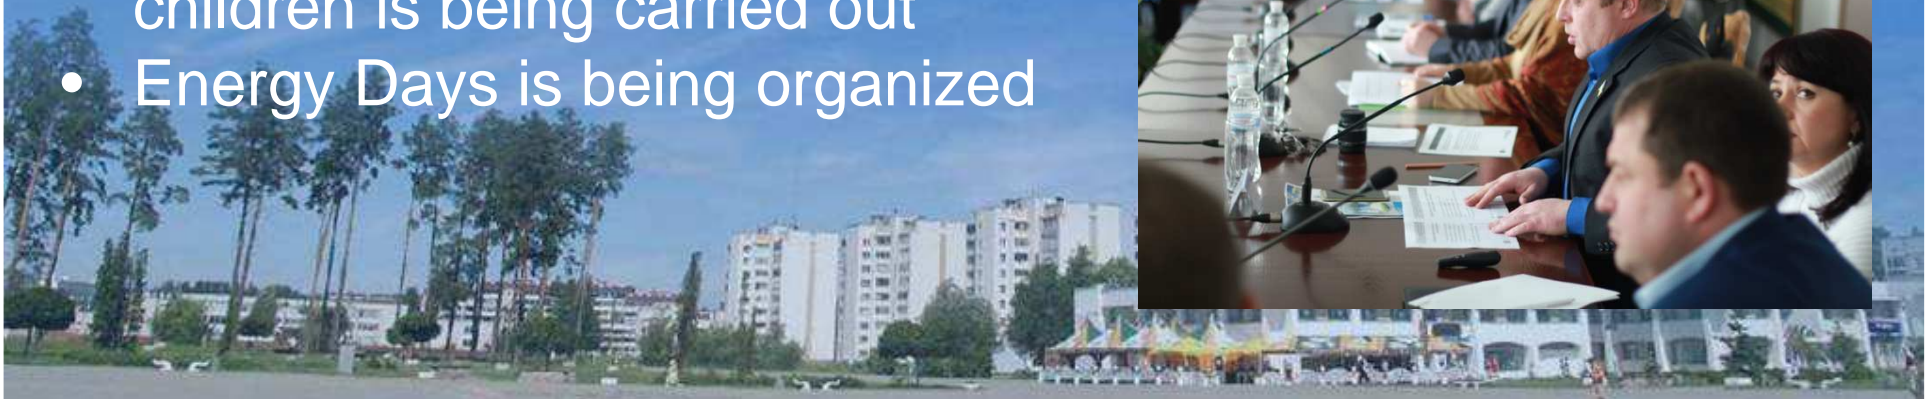

Total budget is 5.200.000 UAH (186.000 EUR), including 10% of co-financing from municipality, loan – 4.700.000 UAH (168.000 EUR) under 3% per annum for 5 years with a grace period of 1 year

Slavutich meets with Covenant of Mayors commitments

- Energy management unit is established
- Energy monitoring system is installed in 29 municipal buildings
- Raising awareness program which includes the series of trainings and workshops for municipal staff, pupils and children is being carried out
- Energy Days is being organized

The communication with the residents is the important part of the project

- Project web site <http://www.slavnrrj.in.ua/>
- Media coverage
- Public consultation
- Steering Committee

The screenshot shows the website interface for the 'ГРОМАДСЬКИЙ БЮДЖЕТ УЧАСТІ МІСТА СЛАВУТИЧА' (Community Budget of Slavutych City). The page features a search bar, navigation menu, and a central banner for the 2017 project submission period. The banner includes a timeline with three stages: 'Твоє місто' (Your City), 'Твоя ініціатива' (Your Initiative), and 'Твій проект' (Your Project). It also lists key dates: 'Візьми участь у розвитку свого міста!' (Take part in the development of your city!) and 'Подай проект з 20 вересня по 15 жовтня' (Submit your project from September 20 to October 15). A sidebar on the right contains a list of menu items: 'ДОВІДКОВА ІНФОРМАЦІЯ', 'ЕТАПИ ПРОЦЕСУ У 2016 РОЦІ', 'ЯК ПОДАТИ ПРОЕКТ', 'ПОДАНІ ПРОЕКТИ', 'ГОЛОСУВАННЯ', 'ПЕРЕМОЖЦІ', and 'РЕАЛІЗОВАНІ ПРОЕКТИ'. The bottom of the page has a 'Новини' (News) section with a 'ЗВЕРНІТЬ УВАГУ!!' (Attention!!) notice.

Шановні славутичани!

Slavutich implements Demonstration project

In the period from 2000 to 2016 Slavutich has implemented 40 projects in the cooperation with IFAs and other donors

The New Safe Confinement is a structure intended to contain the remains of the nuclear reactor at Chernobyl, Ukraine. Project is being implemented from 2010 in cooperation with Slavutich municipality

Slavutich is the city of sustainable development

Slavutich city web site <http://e-slavutich.gov.ua/>

The screenshot shows the website for Slavutych City Community. At the top, there is a banner with the text "СЛАВУТИЦЬКА МІСЬКА ГРОМАДА" in yellow and pink, a circular logo with the coat of arms, and social media icons for YouTube, Facebook, and Twitter. Below the banner is a navigation menu with tabs: "Головна", "Про місто", "Міська влада", "Громадянам", "Підприємцям", "Публічна інформація", and "Документи". The main content area includes a "Громадський бюджет" section with the text "Ознайомся з проектами та проголосуй", a "Календар подій" with a calendar grid, a "БІБЛІОТЕКА" button, a large photo of the city building, and a sidebar with buttons for "СЛАВУТИЦЬКА МІСЬКА РАДА", "ЄДИНА СИСТЕМА МІСЦЕВИХ ПЕТИЦІЙ", "ПЕРЕГЛЯНУТИ ПЕТИЦІЇ", "ПОВІДОМИТИ ПРО ПОРУШЕННЯ", "WEB КАМЕРИ", and "ІНТЕРНЕТ-РЕСУРСИ СЛАВУТИЧА". At the bottom, there are sections for "Стратегія розвитку Славутича", "НОВИНИ" (with a sub-headline "Про результати роботи відділення у м. Славутичі"), "АНОНСИ" (with a sub-headline "3 грудня о 18:00 у великій залі"), and "Міський голова".

Thank you for attention!
